- **Disk Space:** free: 80 GB on **system drive**
- **Graphic Processor:** hardware **Ray Tracing** support needed

A child of two worlds, trained by human military forces, seeks to reconnect with their native Na'vi heritage across the Western Frontier. Master incredible, hyper-fluid first-person traversal mechanics to leap across towering rainforest canopies and bond with a flying companion creature, an Ikran. Combat invading corporate military units by combining traditional stealth hunting bows with devastating, high-powered human assault firearms. Explore a breathtaking, visually stunning alien ecosystem where your actions directly safeguard delicate biological balances from destructive industrial encroachment.
