Jesse Faden infiltrates a shifting, paranormal New York skyscraper known as the Oldest House to locate her missing younger brother. Command devastating, supernatural telekinetic powers to launch heavy concrete structures and levitate fluidly through completely destructible, reality-bending brutalist environments. Wield the unique Service Weapon, an adaptable firearm capable of morphing its shape and offensive firing archetypes in real time. Remedy Entertainment delivers a gripping, atmospheric supernatural thriller packed with deeply surreal environmental lore, corporate bureaucracy satire, and secret government conspiracies.
