- **Processor:** high **single-core** performance needed
- **RAM:** 32 GB to **avoid micro-stutters**
- **Disk Space:** 70 GB free space for **full installation**
- **Graphics:** 12 GB **VRAM minimum** required

Step into the shoes of Alyx Vance to mount a fierce, desperate resistance against the brutal alien Combine occupation of Earth. Built from the ground up for virtual reality, this immersive experience redefines first-person exploration, environmental puzzle-solving, and visceral combat. Players must interact directly with the world, searching through physical shelves for ammo, hacking alien interfaces, and manually reloading weapons under immense pressure. Navigate the tense, claustrophobic streets and hidden underground facilities of City 17 in a masterfully crafted sci-fi narrative.
