- **Storage:** extra room for **future DLCs** and patches
- **GPU:** 16 GB+ video memory **highly recommended** for 4K

Aloy, a highly skilled hunter cast out by her tribe, seeks to uncover the truth of her ancient origins. Track and hunt colossal mechanical beasts across stunning open landscapes using an arsenal of tactical traps and precision bow weapons. This visually upgraded remaster brings the technical graphics, character models, and environmental fidelity up to modern standards. Unravel an existential mystery regarding the collapse of the Old Ones and discover exactly how machines came to dominate the planet.
