

## Mafia: The Old Country GOG Release Desktop

### Description

? Hash-sum ? 1820a6fc3a2a87754394d1533f850ba7

? Updated on 2026-06-13

Verify

- **CPU:** modern architecture (**Zen 3 / Alder Lake** minimum)
- **RAM:** fast **5600MHz+** required
- **Disk Space:** 70 GB free space for **full installation**
- **GPU:** RTX 4080 / RX 7900 XTX **recommended for Ultra**

Descend into the brutal, unglamorous origins of organized crime within a cinematic narrative set in 1900s Sicily. Fight for absolute survival in an authentic, beautifully realized historical era built around complex family loyalties, deep protection rackets, and tragic betrayal. This entry strips away modern excess to focus on a tight, linear, and narrative-focused experience that honors the franchise's roots. Navigate tense shootouts, realistic period-accurate driving, and an atmospheric underworld crafted specifically to push modern technological boundaries.
