Commander Shepard leads an elite alliance across the galaxy to stop an ancient, terrifying synthetic machine fleet from wiping out all organic life. Command your specialized squad through an epic sci-fi military narrative spanning a highly optimized, fully integrated remaster of three legendary role-playing games. Every narrative decision you execute seamlessly travels across entries, dictating complex character survival odds, political alignments, and structural galactic alliances. Engage in dynamic third-

person cover shooter mechanics, unlock devastating biotic abilities, and fully customize your legendary interstellar soldier's aesthetic.
