Jack Joyce fights a ruthless corporate monopoly to repair time itself before the universe completely freezes into absolute nothingness. Master incredible, high-octane temporal super-powers to freeze roaring gun battles, dash across rooms instantly, and warp bullets around enemy lines. The unique action gameplay mechanics seamlessly intertwine with a highly polished, live-action cinematic television show that adapts to choices. Navigate a complex, mind-bending sci-fi narrative where your direct choices dictate the catastrophic ripple effects of a broken time-travel experiment.
