Cunning scoundrel Kay Vess risks absolutely everything to attempt the greatest, most lucrative underworld heist the Outer Rim has ever seen. Explore massive, sprawling criminal syndicates across dense urban planetary hubs and vast, open desert landscapes on a high-speed repulsor speeder. Engage in intense tactical cover-based shootouts, subtle stealth break-ins, and chaotic multi-directional starfighter dogfights alongside your loyal companion, Nix. The open-world adventure introduces an interactive dynamic reputation system where your direct criminal choices alter alliances with powerful

underworld syndicates.
